Foreword

Genealogy of Chalakuzhy Family

Chalakuzhy family is one of the oldest as well as well-known Christian families in Kerala. George Mathew loved and honored Chalakuzhy family. He was very much interested in recognizing and bringing together each of the family members. However, the family has grown and spread far and wide, making it difficult for the members to meet and know each other. So in response to the requests made to him, by many members of the family, George Mathew decided to write the history and genealogy of the Chalakuzhy family.

The main objective of the author was to establish the relationship between members in this family. George Mathew (E24182) developed a Generation Index Number (GIN) system to identify each member of this family. Once the GIN of a member is known, it could be used to establish the relationship of that member to the others easily and precisely.

George Mathew collected family history as and when he got them. He requested family members to send in as much information as possible. Many responded by sending him the information they had. Many a times, he personally went to meet family members to clarify and confirm the information he received.

George Mathew was good to all – both big and small. He was especially fond of Chalakuzhy family members. However, towards the end, his faculties were unable to sustain him in continuing this work. As a result, getting clarifications from the author was difficult. Perhaps, the latest entry by the author was in 2011. The data is retained as it was left by him except to make some obvious entries and corrections. Due to incomplete information, some mistakes could have crept in inadvertently and hence, the errors and omissions, if any, are not deliberate and may be excused.

George Mathew wanted to make the Chalakuzhy family history a living document that is interesting. So, wherever possible, his comments

on people and events were retained to keep the story lively that would otherwise be just names and identifying (GIN) numbers.

After George Mathew's expiry in September 2012, to honor our father and to make his work available to the family members, we the children, decided to collate the available data for publication. We retrieved the latest available data in 2014 and reformatted the material. Support to this publication was provided by his three sons Mathew (Ashok), Philip (Mohan) and Thomas (Jayan) and his daughter Anuja and her husband Varghese (Kunjumon).

It is hoped that this publication would be useful to members for knowing each other. It is also hoped that others will continue adding information as they arise subsequently. Some of you might be aware that the main source of another book on Chalakuzhy family history was this manuscript written by George Mathew. However, we gratefully acknowledge all the members who contributed to this book. One of the members who deserve special mention is Kunjumon (F248363) of Chalakuzhy Road, Trivandrum.

This manuscript was prepared by the author with his labour spread over five decades. So this body of work and methodology used to give GIN to Chalakuzhy family members belongs to George Mathew (E24182) and his 3 sons and their 4 sons. Regarding this publication, his children can be contacted via email ID: chalakuzhyfamily@outlook.com

About the Author

George Mathew & Annie George

George Mathew (E24182, Georgekutty) was born on 28-Sep-1927 as the second of only five sons of C.M.Mathew, Vakil, Thiruvalla and Aleyamma of Changaetharayl, Kayamkulam. Living with his parents at Kattoorkara, Thiruvalla, he completed schooling at S.C.S School, Thiruvalla in 1943. Then he went to U.C. College, Alwaye for Intermediate course. In 1950, he graduated from Trivandrum Engineering College with B.Sc. Engineering (Civil).

George Mathew joined Madras Civil Service that later partitioned to become the Thirukochi PWD. Subsequently, Thirukochi PWD merged with the Malabar PWD to become the Kerala PWD. While George Mathew was in Kerala PWD, in 1967, Government of Kerala sent him on a fellowship for further training in Harbour Engineering to many countries including England, Sweden, Netherlands, and Germany. He played a significant role in the construction of Vizhinjom Fishing Harbour, right from its inception to its completion. He retired from government service in 1982 as Chief Engineer, Kerala PWD and settled down in Pattom, Trivandrum.

George Mathew's wife, Annie Philip, was born on 21-Mar-1933. She was the fourth child of Magistrate & Thahasildar, K.O. Philip, and Aleyamma who settled down at Ashtamudy in Kollam district. Annie went to Mahilalayam School in Alwaye and then to U.C. College, Alwaye

for Intermediate course. She graduated with B.Sc. (Zoology) from Women's College, Trivandrum. Annie Philip got married to George Mathew in 1952 and together they had 4 children – 3 boys and the youngest, a girl.

Siblings of George Mathew were also quite well-known. His elder brother C.M. Mathew was a senior officer in the Indian Coffee Board. Younger brother, Paul Mathew was a well-respected teacher as well as Headmaster of Teachers' Training College in Mavelikara. While George Mathew retired as Chief Engineer in Kerala PWD in 1982, his younger brother, Thomas Mathew retired as Chief Engineer, Kerala PWD in 1985 and his youngest brother Jacob Mathew retired as Chief Engineer, Kerala State Electricity Board (KSEB) in 1999. It is a very rare and unique distinction to have three siblings to retire as CHIEF ENGINEERS and Head of Department.

George Mathew was very popular among his colleagues, seniors and teachers. He was a well-known athlete and football player as well as an "Ottamthullal Kalakaran" during his collegiate days. He was Kerala University athletics champion. Later, during his golden years, George Mathew participated in Kerala State veteran sports and won many medals. He represented Kerala State in National Veteran's Sports in New Delhi. He was very active till his last days. George Mathew passed away on 23-Sep-2012, just 5 days before his 86th birthday. He is interned in the family crypt at Pattoor Cemetery in Trivandrum. Annie George passed away a year later on 26-Dec-2013, at the age of 80. She is interned in the same crypt with George Mathew at Pattoor Cemetery in Trivandrum.

Methodology of Assigning Generation Identification Number (GIN)

Chalakupzhy family has grown and spread far and wide, and so, majority of members do not know the relationship with other members of this family. To make the relationships clearer the author George Mathew (E24182) developed a Generation Identification Number (GIN) system.

The Founding father of Chalakupzhy family at Thiruvalla is ITTY MATHEN. He had four sons. So, the first generation after Itty Mathen consisted of four Chalakupzhy branches formed from these four sons.

The four main branches of Chalakupzhy family at Thiruvalla are as shown below.

Branch No. 1	Chalakupzhy Pulimoottil
Branch No. 2	Chalakupzhy Kizhakke-Veettil (East House)
Branch No. 3	Chalakupzhy Pynummoottil
Branch No. 4	Chalakupzhy Padinjaare-Veettil (West House)

Generations will be distinguished by alphabets A, B, C etc. Hence, members of first generation have 'A' as the first character in their GIN. This 'A' is followed by a numeral for each of the Chalakupzhy branches formed by these siblings. i.e., A1 is the branch formed by the first sibling, A2 is the branch formed by the second sibling, and so on.

GIN of the members of the second generation in 1st branch starts with B1. The GIN of a member of second generation of 2nd branch starts with B2. Similarly, GIN of the members of the third generation in 1st branch starts with C1. The GIN of a member of third generation of 2nd branch starts with C2. i.e., Change in generation is denoted by a change in the first character in GIN to subsequent letters (A → B, B → C, C → D and so on).

Birth order will be denoted by numbers 1, 2, 3 and so on suffixed to parent's GIN with a change in the first character as described in the previous paragraph. The GIN of the first son of A1 starts as B11. GIN of the second son of A1 starts with B12. GIN of the third son of A1 starts with B13.

2 in the GIN B12 refers to the 2nd child who is a male of the 'A' generation member A1 in the 1st branch.

1 in the GIN C231 refers to the 1st child who is a male of the 'B' generation member B23 in the 2nd branch. Similarly, (4) in C23(4) refers to 4th child who is a female of the 'B' generation member B23 in the 2nd branch.

Female descendants of the family, on getting married, become the family of her husband. GIN will only be assigned upto the next immediate generation of the female member. A curved bracket is used around the last GIN character to denote a female.

2 in the GIN D3112 refers to the 2nd child who is a male of the 'C' generation member C311 in the 3rd branch. Similarly, (3) in D311(3) refers to 3rd child who is a female of the 'C' generation member C311 in the 3rd branch.

2 in the GIN E24182 refers to the 2nd child who is a male of the 'D' generation member D2418 in the 2nd branch.

Instructions on assigning GIN are given below (e.g., descendants of 2nd child of Itty Mathen)

Member ID Coding By Generation - Explanation		
		Names
Family Founder		Itty Mathen
A2	A: 1 st Generation, 2 nd child of Family Founder	Mammen
B24	B: 2 nd Generation, 4 th child of A2	Poulose
C241	C: 3 rd Generation, 1 st child of B24	Mathai
D2418	D: 4 th Generation, 8 th child of C241	C.M. Mathew
E24182	E: 5 th Generation, 2 nd child of D2418	George Mathew
Sample Member ID for George Mathew		
E - Generation E (E, the 5th letter in alphabet denotes 5th generation)		
2 - Branch 2, 2 nd child of Family Founding Father		
4 - 4 th child of A2		
1 - 1 st child of B24		
8 - 8 th child of C241		
2 - 2 nd child of D2418 (START here & go leftward to know ancestry)		
siblings of member (b: 2 nd boy of 5 siblings, '5' sons, '0' girls)		
children of member (3 boys, 1 girl, Total 4 children)		
E 2 4 1 8 2 {b 5 0} [3 1 4]		
↑ ↑ ↑ Third character onwards the number represents birth order of member. Second character always represent Branch number 1, 2, 3, 4 (i.e it represent birth order of 4 children of Itty Mathen) First character always represent Generation designation A, B, C etc.		

Note: While navigating through the four tabulations, to easily identify the GINs of 5th generation starting with alphabet E, the last digits in the GIN are in the **bold-font**.

2 in George Mathew (E24182) indicates that he is the second child of D2418. 8 in D2418 indicates that George Mathew's father (C.M. Mathew) is the 8th child of C241. Similarly, 1 in C241 indicates that the father of C.M. Mathew is the first child of B24. Likewise, 4 in B24 is the 4th child of A2 (2nd branch).

The double bracket { } following GIN gives information about the siblings of the member. In the double bracket {-50}, the number 5 after '-' indicates total number of male siblings, and the number 0 indicates the total number of female siblings. This number {-50} is same for all 5 siblings. However, '-' will change with the birth rank of the sibling as explained below.

To indicate birth order of male child, 'a' or 'b' or 'c' etc. is written in the place of '-'. Similarly, 'p' or 'q' or 'r' etc. is written in the place of '-' to indicate the seniority of each female child. So, 'a' indicates the oldest boy and 'b' indicates second boy and so on while 'p' indicates the oldest girl and 'q' indicates second girl and so on in the alphabetical order. Alphabets 'i' and 'o' are not used.

For example, {b32} refers to siblings of the member. Here, 'b' indicates that the member is the 2nd son among the siblings, '3' indicates there are 3 boys and '2' indicates there are 2 girls among the siblings.

The 'square' [] bracket after the double bracket gives information about the member's children i.e., the next generation. Information is given in the 'sdt' format. 's' in [sdt] indicates the number of sons, 'd' indicates number of daughters, and 't' indicates the total number of children. So [314] indicates that the member has 3 sons, 1 daughter, totaling to 4 children.

Each digit is to be pronounced separately, and NOT read as a single number with two digits. E.g. {b32} will be read out as {b 'THREE' 'TWO' and NOT 'b' 'thirty two'}. Similarly, {c40} is read as {c 'FOUR' 'ZERO'}. Similarly, [314] is read as 'three' 'one' 'four' and not as 'three hundred and fourteen'.

Summarizing, using another example in Branch-3 for Geevarghese C311{a10}[123], the two daughters of C311 who are ranking 1st and 3rd get the GINs D311(1) and D311(3). The relevant last digits 1 and 3 respectively in the concerned GINs are enclosed in round brackets (such as this) to show that each of them is a daughter. For the third child D311(3){q12}[], the small alphabet 'q' in the double bracket {q12} is used because, among the daughters, she ranks as the 2nd and the 2nd ranking is represented by the small alphabet 'q'. Also, [123] represents the member has 1 son, 2 daughters, totaling to 3 children.

Whenever the total number of siblings or children EXCEEDS the single digit of NINE, an ' apostrophe will be used to avoid using any double-digit number like 10, 11, 12 etc. There, 10 or 11 or 12 will be written as '0 or '1 or '2, and so on.

For example, GIN of C. Mathen is D2483 {b33} [4'0'4]. Here the first apostrophe before zero in [4'0'4] means there are 10 daughters, and the second apostrophe before four means there are fourteen children altogether. One of the children for the above person is C.M. Mathen and his GIN is E2483'1{c4'0}[145]. Here, the apostrophe before one in the GIN E2483'1 shows that he is the eleventh child, 'c' in {c4'0} means third among 4 boys and the apostrophe before zero in {c4'0} means that there are 10 sisters.

This GIN system has the advantage of accurately tracing back the parents, grandparents and so on, by tracking the digits in the GIN code from right to left. By tracking the digits in the GIN code from left to right, the children and descendants can be traced without textual descriptions. In addition, the siblings, cousins and other relatives can be determined. This is possible because all members of same generation are identified by the same alphabet at the beginning of the GIN irrespective of their branch. As the GIN changes to the next generation, the initial alphabet of GIN changes. e.g., 'E' of fifth generation changes to 'F' for the sixth generation. The digits in the GIN also increases corresponding to the generation; i.e., 'E' generation has 5 digits in its GIN while 'F' generation has six digits in its GIN.

Additional examples of assigning GINs to members from different generations in each branch is given below.

The 'A' generation would be as follows:

Branch-1	Branch-2	Branch-3	Branch-4
A1 {a40}[202] Mammen (Kuncheria) Pulimoottil at Vengal	A2 {b40}[426] Mathai Kizhakke-Veettil i.e., East House	A3 {c40}[000] Geevarghese (the 1 st) Pynummoottil	A4 {d40}[101] Mathen Padinjaare-Veettil i.e., West House

So the 'B' generation would be as follows:

Branch-1	Branch-2	Branch-3	Branch-4
B11 {a20}{---] (N/m)	B21 {a42}[Adopt] Geevarghese	B31 {Adopt}[101] Geevarghese	B41 {a10}[202] Poulose
B12 {b20}[202] Varkey	B2(2) {p42}[] (N/m) Daughter		
	B23 {b42}[336] Mathen		
	B24 {c42}[268] Poulose (Kiriyan)		
	B2(5) {q42}[] (N/m) Daughter		
	B26 {d42}[246] Oommen		

And, the 'C' generation would be as follows:

Branch-1	Branch-2	Branch-3	Branch-4
C121 {a20}[101] Cherian	C231 {a33}[123] Mathen	C311 {a10}[123] Geevarghese	C411 {a20}[156] Mammen
C122 {b20}[224] Mathew	C241 {a26}[718] Mathai		C412 {b20}[022] Mathen
etc.	etc.	etc.	etc.

About Index

A General Index is included at the beginning of this book. This index includes all members of all four branches of Chalakuzhy family. The members are LISTED IN ALPHABETICAL ORDER along with member GIN and page number on which their personal information can be found.

There will be many members with the same name but with unique GIN. Their GIN will be listed in separate columns marked for different generations. If information on the Branch to which the member belongs or GIN of close relatives is known, it can help narrow down the search for the GIN of a particular individual from this Index.

The Index is then followed by 4 branch-wise Tabulations. Details on Tabulation is given next.

About Tabulations

The Founding father of Chalakuzhy family at Thiruvalla is ITTY MATHEN. Ancestry of the family starts from a place near Kalikavu, Kuravilangad, Kerala. The family migrated to Changanacherry from where Itty Mathen moved to Kavumbhagom near Muthoor in Thiruvalla district. Itty Mathen established the Tharavadu, Kizhakke-Veetil ('East-House') at Kavumbhagom. Additional information is given in the section 'General Stories about Chalakuzhy Family'. It is believed that Itty Mathen expired in the year 1800 AD.

Itty Mathen had four sons who established the four Chalakuzhy family branches listed below:

Itty Mathen: Founding Father

Branch No. 1	Chalakuzhy Pulimoottil	P
Branch No. 2	Chalakuzhy Kizhakke-Veetil (East House)	E
Branch No. 3	Chalakuzhy Pynummoottil	N
Branch No. 4	Chalakuzhy Padinjaare-Veetil (West House)	W
PEN and W i.e., Pen and Watch can be a key-word to remember the names of the four main branches of this "Chalakuzhy" family.		

This book lists the members of four branches in four separate tabulations. Each tabulation has three columns. The first column lists the name of the individual. The second column gives the GIN of the individual. The third column has some personal information about this individual and his family.

Sometimes the individual is better-known by other name. This other name (O/n) is given in the next row immediately below the official name.

ALL the descendants of a member are listed one after the other in birth order below that member BEFORE the next sibling of that member listed. This pattern is followed for all the branches. From this Tabulation, the family predecessors and descendants can be traced out accurately.

General Stories - Chalakuzhy Family

It is well accepted that Christianity was first introduced in India by St. Thomas the Apostle, who was one of the twelve disciples of the Lord Jesus Christ when he visited India in AD 52. The saint arrived by ship and landed at Kodungallur, now in Trichur revenue district, Kerala, which was then an important harbour-town on the west coast of India.

As the story goes, the ruler of Chora region, Cheramanperumal, had a dream where he saw a beautiful palace. The ruler appointed a Jewish merchant shipman Haban to find an architect to build the palace. When Haban reached Palestine, St. Thomas appeared as an architect and both returned together and landed in Kodungallur. For only about one and a half years, St. Thomas remained at Kodungallur preaching the gospel of the kingdom of God. Later on, the saint moved from there to various other places also in Kerala continuing to do the gospel work. In the process, he converted Hindus and some 40 Jewish families who were in Kerala for trade purposes. He moved to Quilon, built a church and converted many more to Christianity. He moved to port regions like Niranom and Chayal (Nilakal) near River Pamba. Later he moved to Kothamangalam, a center for Brahmins, and spread Christianity. Moving further to Kottakavu (Paravoor) and Malyangara, the saint was successful in gospel work.

In those days, there was a small village by name Palayur in the northern part of Kerala at Chavakkad to which place the saint journeyed. That was mostly occupied by traditional and conservative Hindus. A small group of Jews also lived nearby in hilly areas and the latter had a synagogue there. Once an incident took place at Palayur as mentioned below. One fine morning, as usual, four Hindu priests were conducting their ritualistic 'Sun-worship' in the temple-pond. Those priests were from the four different well-known families in the area, namely, Kalli, Kalikavu (or, Kaliyankavu), Sankarapuri, and Pakalomattom. The priests were standing in the pond half-naked in water and they were sprinkling handful of water upwards and chanting veda mantras to their 'Sun-God' and all the four priests were doing like that repeatedly. It was then that one Jewish Ascetic came that way from the synagogue. He stopped near the pond where those Hindu priests were worshipping. The ascetic was one who hailed from Jerusalem and he came only recently as a visitor to the nearby synagogue. A few of the local Jews also were accompanying him. Through his interpreter, the ascetic enquired of what was being done by the Hindu priests in the pond. On getting information about it, the ascetic intervened and told those priests that their Sun-God was not accepting their offering because the water they threw upwards was returning and falling down. "What else can happen to the water differently?" retorted the priests laughing at the ascetic. Then, taking permission from the priests, the ascetic went down to the pond. In the manner the priests did, he drew water in his hands, looked up and prayed to God Almighty (in the name of the Father, the Son and the Holy Ghost) and threw the water up. The water did not fall back or return. The water remained suspended in the air, and turned as light rays and vanished. Also, to the surprise of all, the spot from where the ascetic drew water remained sunk to that extent for a short while (as a dent or a ditch in the water-surface of the pond) till the suspended water and all the light rays disappeared. Noticing the astonishment of all, the ascetic told them that he was Thomas, one of the twelve disciples of Jesus Christ. He further added that Jesus Christ was the incarnation of God the Father. The priests were convinced by his further talk with them. On their own request, without any sort of compulsion, they received baptism from the hands of St. Thomas, and thereby they became Christians then and there. Christians in Kerala who were baptized by St. Thomas are known as MarThoma Christians and also as Kerala Nasranis.

On the advent of St. Thomas at Kodungallur, a large number of the Namboodiris received baptism from the hands of the Saint, and accepted the religion of Christianity. Later on, many of such Christians shifted from Kodungallur gradually to Kuravalangad in Kottayam revenue district. Itty Mathen was among the descendants from those Christians who moved to Kuravalangad. It is an accepted fact passed on from generation to generation that we the members of the Chalakuzhy family based at Thiruvalla with Itty Mathen as the Founding father (as well as the descendants of the Poothiyottu family at Mepral with Cherian the direct brother of Itty Mathen as their Founding father) are the descendants of that Namboodiri-priest. He was from the Kaliyankavu family (the second one of the four families mentioned above - Pakalomattom,

Shankarapuri, Kalli) who accepted baptism directly from the hands of the apostle St. Thomas and thus became Christians long, long ago, i.e. by A.D.54 and continued thereafter. More detailed information about those fore-fathers who lived at Kuravilangad are not easily available now.

Chora region ruler, Cheramanperumal was very helpful to the Christians and was responsible for providing land for church and housing. After expiry of Cheramanperumal, Kerala was run by local rulers and the converted Christians from the Pakalomattom, Shankarapuri, Kalli and Kaliyankavu families were exposed to hardships and ridicule and hence set off to the South reaching Kaduthuruthi and Ettumanoor. Knowing that these people were Christians, local priests in the Ettumanoor temple denied them room for the night and sent them to Kalikavu assuming that the Kali at the temple will destroy them. Astonished with no destruction happening to these people, temple authorities donated land at Kalikavu for the Pakalomattom, Kaliyankavu families and land at Kuravilangadu for the Shankarapuri, Kalli families. These places were about two kilometers apart.

The Church at Kaduthuruthi was the closest church for these four families. Due to distance and difficulty in travelling to the church, these families built a church and is now known as the Catholic Church of Kuravilangadu. These families then moved closer to the church. Prior to building the church, apparently, many of the family members lived in Kalikavu where the Kali temple is now situated. Many cemeteries seen around the temple supports this belief. Moreover, many of the styles for men and ladies were taken from the Hindu customs.

Many centuries later, the Portuguese who came to Kerala for trade slowly infiltrated into matters of the church by influencing the local rulers and leaders. Official duties of the church were being carried out mainly by Archdeacon Geevarghese, a member of the Pakalomattom family. There was a failed attempt by the Latin Catholic Bishop Menezes to put great pressure on Archdeacon Geevarghese to accept the Catholic Rites. Bishop Menezes joined hands with Portuguese in 1599 and threatened and forced the Christians to accept the Catholic Rites at the Synod in Udayamperoor church. Seeing that the harsh treatment initiated by Bishop Menezes was continuing, the 'Kerala Nasranis' secretly requested Patriarch of Antioch to send a Bishop for them. Emissary from Antioch Ahathulla, upon reaching Mylapoor was arrested and imprisoned by Portuguese in 1653 and brought to Kochi. Angry Christians gathered at Angamaly along with Archdeacon Thoma and approached the Maharaja of Kochi for the release of Ahathulla. Instead, he was murdered by hanging a stone around his neck and lowering him in the lake. This gave rise to the 'Kunanakurish Sathyam' where 'Kerala Nasranis' took an oath by touching the Cross that they will not have any more relations with the Roman Catholics. Seeing the large gathering of people and realizing the enormous time that would be needed for each person to touch the Cross and take the oath, they tied a rope to the Cross at the front of the Mattancherry Church and all the people held the rope together and took the oath at the same time.

Kerala Nasranis assembled in 1653 at Alangad and ordained Archdeacon Thoma as the first Bishop of Malankara. The Latin Catholic Bishop with the help of the Portuguese continued his attack against the newly ordained Malankara Bishop and his followers. In the meanwhile, the Latin Catholic Bishop influenced Chandy Kathanar from the Kalli family and accepted him into the Latin Catholic Rites movement and ordained him as the Catholic Bishop at the Kaduthuruthi church. Attack against Malankara Nasrani churches continued. Moreover, in 1666 a foreign priest under the Latin Catholic Bishop with backing of the Maharaja of Cochin and Portuguese police tried to conduct a wedding at the Kuravilangad church. This was objected to by the four families and many members of the families were lost during the clash. This led to relocation of the members of these families to other Southern parts of the state.

Extensive areas of land and agricultural fields at Kuravilangad were then mainly under the possession of Namboodiris who were residing there. The Namboodiris were impressed by the attractive behaviour and conduct of the Christian new-comers. So, the required free land and permission were given to them for the construction of their churches. Agriculture was the only easily obtainable vocation at that time. Large areas of paddy fields were entrusted to those cordial Christian population on lease (i.e., on paattom) basis. But that was not an attractive profession owing to probably the low yield and calamities due to unexpected seasonal floods. The tenants experienced difficulty to fulfil the target expected by the landlord Namboodiris. So, Itty Mathen and

his brother (in a noble manner) surrendered back to the Namboodiris the fields which were allotted to them on lease-basis. They then left the place and went southward for better prospects. It is said that their sister also desired very much to accompany them. At the same time she was pregnant and was expecting soon. There was no assistance of any sort of vehicles for their journey. The sister in her then health-condition experienced difficulty to go walking with them at their pace. So, convincing the sister of the precarious situation and obtaining her consent, the two brothers made a request to and obtained the help and protection from a magnanimous family on the way. Thus she was left there in that house to be taken care of till the delivery and the convalescence period were over. No further information is available at present about that sister.

Itty Mathen, his brother and a companion continued on their journey and they reached a place in Changanacherry. By that time, they had also become exhausted owing to the prolonged walk. At the same time, till they could reach the anticipated destination in Thiruvalla, they did not want to be noticed by other people. Hence the two took shelter for a short while at a place where there was a water-spring pit (a 'Cholakuzhy' in Malayalam language, but not their family name Chalakuzhy). Even then, it is said, that some sort of semblance was there in pronouncing the two words Cholakuzhy and Chalakuzhy. From there, they went to the expected destination on the western side of Muthoor in Thiruvalla. Some of their successors also joined them by that time, and they all settled down there. The government revenue records show that they could establish a 'muri' or 'kara' (which means a 'revenue sub-section') by name Chalakuzhy at Muthoor.

The north side of Kavumbhagom in Thiruvalla was, for a long period, inhabited by Namboodiris. On their knowing about the previous antecedence and good behavior and connections of those Christians with the Namboodiris at Kuravalangad, they offered some unoccupied areas in south Kavumbhagom to those Christians for their stay there. Itty Mathen welcomed the offer, and with his descendants moved to that area from Muthoor side and established the Chalakuzhy family at Thiruvalla.

The younger brother Cherian chose a place at Mepral and moved to that place with his descendants, and he founded the 'Poothiyottu family' at Mepral.

The good name for the family, nurtured from the time of the Founding father over two centuries ago, continued with fame, and by the Grace of God Almighty, the successors upheld that and it persists even now. Members of the family feel proud of being proclaimed that they belong to the Chalakuzhy family. They excel in education, business, and other jobs. At Kavumbhagom, a chapel was constructed by the Chalakuzhy family. Itty Mathen, the founding father lived with his family in a house situated in the adjacent compound on the northern side of where the Chalakuzhy chapel was built.

The chapel was built in the family property at Kavumbhagom and owned by the family. It was later on elevated to the status of a church, when it was subsequently unconditionally surrendered by the family to the church-authorities who were having their headquarters at Devalokom in Kottayam. The church was then known as Thekke (= Southern) Puthen Palli. It is now known as St.Mulk Orthodox Syrian church.

The Chalakuzhy family brought forth priests like Pynummoottil Valiyachen (Geevarghese Kathanar, Vicar at Tilla Paliakara church) D3112, Pynummoottil Kochachen (Geevarghese Achen, Vicar at Tilla Paliakara and Kattapurath churches) E31123, Chalakuzhy Achen / Malayil Achen (Geevarghese Kathanar, served at Paliakara, Chalakuzhy and Vengal churches) D2613, Padinjaare-Veettil Habeeb Achen (Yuhakim Kathanar), son of Mulk E41221. In those days the entire church was facing a serious situation. With the translation of the Bible into Malayalam happening at this time, in 1837 Rev. Fr. Abraham Malpan formulated a new 'Thaksa' (i.e., a new ritual in Malayalam for conducting 'Holy Qurbana') aiming at Reformation.

The Thiruvalla Mavelikkara road was running on the western side and just in front of the chapel and the family house. Coming from the bus-station at Thiruvalla, and after passing the main market area, the municipal office, M.G.M. school and the Paliakara church as well as a short bridge across the thodu (canal) there, the road had a sharp turn to the left at right-angles, and then, the road traversed in the north-to-south direction for a short stretch up to the Kavumbhagom south junction.

In the good old days, the (kampolam, that is,) bazaar was also on the side of this portion of the road. To avoid the abrupt turn and the narrow road in that portion, the road is bypassed during my time after 1982 from the Paliakara church junction to the Kavumbhagom south junction with a new bridge across the thodu on the initiative of Mr. Baby who was the Headmaster of the M.G.M. high school and partly owing to my assistance too.

Itty Mathen who settled down in Kavumbhagom had four sons. Mammen (Kuncheria) A1{a40}[202], the eldest son shifted with his family to Pulimoottil house at Vengal, and established that branch there. He continued there as the fore-father of the Pulimoottil branch of the Chalakuzhy family. It is said that he had at first eleven sons who were very handsome and well-built too. At the same time, all the eleven were boisterous and unmanageable also. Unfortunately, all those eleven sons expired almost at the same period. After that, Kuncheria had two more sons. Out of that, the elder one went on adoption to Pulinkunnu. Thus, the Pulimoottil branch continued at Vengal with Varkey, the second son of Kuncheria.

Mathai A2{b40}[426] was the second son of Itty Mathen, the Founding father. Later on, Oommen B26, son of Mathai A2 continued to inherit that original family house. Mathai had three more sons in addition to Oommen, the youngest, as well as two daughters. The eldest son B21 of Mathai A2 was given away on adoption to the Chalakuzhy Pynummoottil house. That happened because Geevarghese A3, younger brother of Mathai A2, did not have any children. As a result, GIN of Geevarghese B21 was changed to B31.

The usual practice in vogue is that the youngest son stays back with the parents. Instead of the youngest son, it was Mathai A2, the second son of Itty Mathen who chose to stay back with the parents and took care of them. Thereafter, that branch with Mathai A2 as the fore-father who resided in the original family house began to be known specifically as the Chalakuzhy Kizhakke-Veetil, i.e., the East-house branch-2.

Geevarghese A3{c40}[000], the third son of Itty Mathen, by marriage, into Pynummoottil house near the Paliakara church, founded the third branch of the Chalakuzhy family. The name of that particular house Valia Pynummoottil was then modified by him, and is continued to be known thereafter as Chalakuzhy Pynummoottil house. The eldest son of Mathai A2 was adopted by Geevarghese A3 since he did not have any children. As a result, GIN of Geevarghese B21 was changed to B31.

Mathen A4{d40}[101] the 4th and youngest son of Itty Mathen constructed a residence for himself on the western side of the road, and just opposite the original family house. The 'Kattappurathu Patriarchal church' is situated in the adjacent compound on the northern side of this residence. Mathen moved to that new house and formed the Padinjaare Veetil, i.e., the West-house branch-4 of the Chalakuzhy family.

During the time of Itty Mathen, there was once a sudden onset of smallpox disease in and around Kavumbhagom. The inhabitants in many houses, young and old, as well as Christians and non-Christians were affected. Itty Mathen was really a devoted God-fearing person, and it was well-known to the general public also. He was a pious man and well respected in the church. They attended church at Niranom. He offered all sorts of possible assistance to the affected people irrespective of age or religion. Very often, Itty Mathen even visited the affected persons and tried to console them, unmindful of the fact that he himself was liable to contract the disease. Finally, Itty Mathen also succumbed to the disease. He had to breathe his last owing to that very reason. Having expired due to smallpox, his body was buried in a room (the front room itself) of the house. Extensively and popularly known to the public as a devoted God-fearing individual, the members from even the non-Christian houses affected by the disease, went to the sepulcher of Itty Mathen, and slept a night there with respect and in prayer to obtain relief for those that were sick in the house. It is heard that many of such people who were affected in such houses had speedy and overnight recovery because of the faith they developed in the devotional lifestyle maintained by Itty Mathen.

The front portion (on the west) of the old Paliakara church at Thiruvalla was originally used as the first initial place of worship. It had only a thatched roof then. The church was, so to say, burnt

and destroyed due to fireworks in the nearby temple. It is said that the destruction was deliberate due to communal jealousy! Mathai A2{b40}[426] took the initiative to go to Trivandrum and he met the Resident for the then Madras Presidency Col. Munroe who had then jurisdiction over the erstwhile Travancore state, and obtained orders for the reconstruction of the church at the full expense of those who caused the damage. Also, that was to be constructed exactly as directed and as was instructed by Mathai. Thus, the reconstruction of the Paliakara church was got done (under the full personal supervision and constant direct attention of this Fore-father Mathai) by those Hindus who were found out to be responsible for causing the damage. The construction of the church as is seen now is the one that was got rebuilt and is known as St. George Orthodox Church at Paliakara.

In due course, when Mathai A2{b40}[426] breathed his last, the body was buried under the hanging lamp inside the church according to the desire and demand of the parish people. That burial inside the church was done in consideration of the initiative and lot of pains Mathai had undertaken for the reconstruction of the church, which he accomplished with devoted attention.

The author would also like to list out here the immediate family members of his mother (Changaetharayl Family).

Our mother's (Kunjamma's) brothers and sisters are as follows.
(parents: Geevarghese and Mariamma who had 4 sons and 3 daughters)

- (1) C.G.Idichandy Bar-at-law from Inner Temple, London (and class-mate of Mahatma Gandhi M.K.). Appointed as High Court Judge, Travancore in Trivandrum. Married to Saramma and had 1 daughter and 2 sons. Expired at the age of 33 ½ years. He was buried on the northern side of the Anglican Church at Palayam, Trivandrum. After 1990, this graveyard is seen usurped and the epitaph of our uncle removed by some naughty fellow. I brought this to the notice of the Vicar of the church who agreed to look into this and re-fix the descriptive-epitaph of our uncle. Unfortunately, nothing has materialized after that. Joseph John, Puthenpurackal, Pallickal, Chief Engineer Electricity Dept. has married the only and eldest daughter "Mariamma" of our uncle Barrister Idichandy, (2 children Molly and Babu). One of the 2 sons of Barrister Idichandy is C.I. George (Baby), married to Saramma, Kandathil family, Vallamkulam, (all 3 sons employed in Gulf and 1 daughter Chellamma, who died). Second son is C.I. Mathew (Kunjunju) who had 4 sons and 1 daughter, Dr. M.C.Alexander-UK, M.C.Mathew (Kochumon)-Delhi, M.C.Thomas-Kollom, M.C.George (Joe)-USA, and Remi married to Joseph John, nephew of former minister T.M.Varghese.
- (2) Dr.C.G.Kurian, Surgeon General, Ceylon (Sri Lanka), with headquarters in Colombo. After retirement from Ceylon, the doctor returned to India and stayed for a few months in a rented house in the Museum Bane's compound in Trivandrum owned by C.I.Abraham, the former Finance Secretary to Travancore State government, and there, the doctor breathed his last in 1942. He was buried in Marthoma Church at Pattoor, Trivandrum. On coming to Trivandrum, it is said that, the people in the church approached the doctor, and had received fabulous donation from the doctor for the improvement of the church which the doctor gave very lavishly. So, as decided by the members of the church, on the demise of the doctor, the body was buried very close to the wall of the church. Later on, when the church was expanded, the body was removed from there. Such a removal was done a second time more after a few years. That was for the sake of providing a wider approach to the cemetery. Dr.CGK's first wife was the sister of Barrister George Joseph and Journalist Pothen Joseph. They have sons, George Kurian and Joseph Kurian. George Kurian (Georgekutty) was the 1st to occupy the position as the Telephones Engineer in the erstwhile Travancore State. His wife Neena was from England and had a son Baby who remained unmarried. When Baby expired, George Mathew (E24182) together with Menon a friend of George Kurian arranged to cremate his body (1990's) in Thycaud, Trivandrum. Neena passed away later on in Trivandrum. Her body was also cremated like that by both Menon and myself because she did not have a membership in any church here. Joe, the second son of Dr.C.G.Kurian, was in England. George Mathew (E24182), while he was on government foreign training in Germany, made a short official trip to London. So, GM went to the house of Joe in England in 1967, as per the desire of the Ceylon Aunty, the second wife of uncle Dr.C.G.Kurian, to put a request to Joe, to come to India and to take possession of all their properties here because the elder brother was not likely to return to India. But, GM just missed meeting Joe, because the latter had left for Holland only a few days before for his marriage to a lady from Holland.
- (3) C.G.Thomas, B.A.B.L. was doing his own social work in Kayamkulam. He used to ride on horseback; died when he was around 40 years old. He was married to Thankamma, Nellimoottil family and had 3 sons – George Thomas (Baby), Philip Thomas (Achankunju), Thomas (Aniyankunju) and 4 daughters of which one is Annamma Paul (Ekm) whose eldest son Mr.Sebastian Paul in Ernakulam was Member of Parliament earlier.
- (4) C.G.George, B.A.B.L. the youngest stayed back in the ancestral Changaethara House at Kattanam Pallickal, Kayamkulam. Married to Saramma, Elanjikal madam,

Kattanam, had 5 sons and 3 daughters. Sons are

1. C.G. Varghese (Babu) married to Saramma with one son and 2 daughters and settled in B'lore.
2. Chacko George (Thampy), M.A., B.A.B.L. Advocate in Ernakulam, married to Lissy, Ooryapadicakal, Kumbanad, had 2 sons – George Chacko (Appu), Canada and Ebby (ExD).
3. C.G. Idichandy (Bhanu) married to Lissy, Thayyil, Thevalakkara who had 3 sons, eldest died and other two are employed in B'lore and Chennai.
4. C.G. George, married to Maggy, Cbelikkuzhiyil, Kozencherry, had 2 daughters in Jabalpur and USA and son Telly George, USA.
5. Kurian George (Vijayan) married to Elizabeth (Elamma), Koippurathu family, Chathannoor, had 2 sons both Engineers working in Cochin and Tvm.

Daughters are

1. Mariamma (Ammu) married to T.G.Varghese, Senior Scientist, Atomic Energy Dept, Son Sunny, USA and daughter Susheela, USA.
2. Annamma (Leelamma), married to P.C James, Punai, son officer in Airforce and daughter is a doctor in Canada.
3. Saramma (Sarasu), married to Philip, Kaulalampur, Malaysia, 2 sons, elder in USA.

The only 2 sisters of Kunjamma are as follows:

- (1) Saramma, M/b Alexander Muthalali, Nellimmoottil House, Adoor, former M.L.C. in the erstwhile Travancore State. His 2 younger brothers of Nellimmoottil House were also M.L.C's. 2 sons – Retd. Wing Commander A. Philipose (Baby), B'lore and George Alexander (ExD), 1 daughter Gracykutty, mother in a Convent in North India.
- (2) Annamma, M/b Dr.K.K.Jacob, Kaithayil House, Manganam, Kottayam. One son Jacob Sunny (ExD) and 2 daughters Lily and May. This doctor was also in Ceylon Health Services.

Branch – 1

Chalakuzy PULIMOOTTIL

Branch - 1: Chalakuzhy PULIMOOTTIL, Information and Stories

Mammen (Kuncheria) A1{a40}[202], is the eldest son of Founding father, Itty Mathen. In course of time, he moved from the tharavadu (family house) Kizhakke-Veetil ('East-House') of Itty Mathen at Kavumbhagom, to Vengal, a town north of Thiruvalla. His house is located west of Kalloor house and east of Kovoor house. There, Mammen established 'Chalakuzhy-Pulimoottil' and thus became the Fore-father of Branch-1.

Kuncheria was very much interested in trading business. He was a good entrepreneur, and was always active and energetic. It is said that Kuncheria had 11 sons at first, each one of them very handsome and well-built, but at the same time, very boisterous and unmanageable too. Unfortunately, all of the eleven, somehow, had a great misfortune. Without leaving behind even a single one, all of them passed away when they were very young. Afterwards, Kuncheria begat TWO more SONS. So, Mammen Kuncheria's GIN must be suffixed with either of following two square brackets.

A1{a40}[30'3], meaning that he had 13 sons, 0 daughters, 13 children in total. OR,

A1{a40}[202] meaning that only the last 2 surviving children are considered as his descendants. The 2nd square bracket is continued from now on, because no further information is available about the 11 kids (SAID TO BE born and lost).

Of the last two sons who survived, the elder one, B11 of the second generation went on ADOPTION to Pulinkunnu in Alleppey and his GIN is B11{a20}[---]. His name is not known.

Since the first son went on adoption, it was the second son Varkey (Varkikkunju) B12{b20}[202] who inherited Chalakuzhy Pulimoottil House and continued the lineage of Chalakuzhy-Pulimoottil branch. Varkey Set(tled) down in Vengal. Varkey had two sons, i.e., the third generation. They were Cherian C121{a20}[101] and Mathew C122{b20}[224].

Cherian C121{a20}[101] is the eldest son of Varkey B12{b20}[202]. And he had only one son, Mathai D1211{a10}[606].

Mathai was Headmaster of L.P.School, Anicadu, near Mallappally. Unfortunately, he expired at the age of 32. He was H/o Mariamma, Chemparathimoottil, Perumthuruthy, Thiruvalla. His children were 6 sons as follows. Their names and GIN are given below as an example of how the GIN is generated.

BRANCH - 2

Chalakuzhy KIZHAKKE-VEETTIL

Branch - 2: Chalakuzhy KIZHAKKE-VEETIL, Information and Stories

Mathai A2{b40}[426] is the 2nd son of Family Founder Itty Mathen. The usual practice in vogue is that the youngest son stays back with the parents. Mathai was the second son and not the youngest. Even then, it was Mathai who chose to stay back with the parents and it was he who took care of them. Thereafter, Mathai as the fore-father of Branch-2 resided in the original family house (tharavadu) of Itty Mathen at Kavumbhagom in Thiruvalla. This house began to be known specifically as Chalakuzhy Kizhakke-Veettil (East house). Mathai thus became the Fore-father of Branch-2 Chalakuzhy KIZHAKKE-VEETIL family.

When the old Paliakara church was burnt and destroyed due to fireworks in the nearby temple it was Mathai who went to the Resident for the then Madras Presidency (under the British rule before independence) Col. Munroe and obtained orders for the reconstruction of the damaged church at the full expense of those who caused the damage. Also, that was to be constructed exactly as directed by Mathai. In due course, when Mathai breathed his last, the body was buried under the hanging lamp inside the church according to the desire and demand of the parish people. That burial inside the church was done in consideration of the initiative and the considerable pains Mathai had undertaken for the reconstruction of the church, which he accomplished with devoted attention.

Mathai A2{b40}[426] had 6 children, 4 sons and 2 daughters.

GIN of Geevarghese B21{a42}[Adopt], the first son of Mathai A2{b40}[426], is changed to B31{Adopt}[101] since he was adopted to Branch-3 Chalakuzhy Pynummoottil family. He was adopted because A3, the Fore-father of that branch (who also had the same name as this Geevarghese), had no children.

Mathen B23{b42}[336], the second son of Mathai, is the father of Mathen C231{a33}[123], Thamaravelil (Akkara) family.

Oommen B26{d42}[246], youngest son of Mathai, inherited the tharavadu house.

Mathai's 3rd son Poulouse (Kiriyan) B24{c42}[268] had descendants who formed Puthenpurackal and Malayil sub-branches. Poulouse (Kiriyan) had 8 children; 2 sons and 6 daughters who are as follows. To understand the methodology for assigning GIN, the descendants of branch-2 are listed below.

Mathai C241{a26}[718] expired just a few months before the birth of his youngest son C.M. Mathew D2418{g71}[505] Vakil. This is the only known occurrence of a 'POSTHUMOUS' child in the whole family to date. His son, (my father), C.M.Mathew, Vakil passed away on 25th March 1976 at the age of 84 years. Hence D2418 was born 84+ years before 1976. So 1976 minus 85 years gives us 1891 as the year Mathai C241{a26}[718] passed away. We believe that he passed away on St. Thomas Day (4th July). So, the expiry date of Mathai C241{a26}[718] is likely to be 4th July 1891, which may be verified in the Church Register. Mathai C241 was buried on the eastern side of Chalakuzhy Church. Mathakutty at Mannar E24173{b41}[202], C.M.M (Jr) E24181{a50}[224] and Thomaskutty E24184{d50}[123], my brother in Ekm. gave the above details about the location of that tomb of the Grand Father.

Mathai's C241{a26}[718] second wife Aleyamma,Vengazhiyil Thekkethil, Karackal, Mannar, ExD in the Malayalam Era 12-2-1102 M.E., i.e., 28th Sept. 1926 A.D. Memorial prayers on the 80th death anniversary (80, normally unusual), of this grandmother were arranged during Holy Qurbana conducted in the Orthodox Syrian cathedral, Niranom, on Sunday 1st October 2006 (on being reminded by me of the exact ExD which happened to be on my DoB). All the required arrangements for that were completely made by Mathew Paul (Jiju) F241721{a21}[], the elder son of late C.M. Paulose (Kunju) E24172{a41}[213]. The reception after remembrance prayers was given in the residence of Jiju. On the demise of Kunju, this elder son Jiju has retained the timber business and also the furniture shop of this father at 'cycle-mukku', Mannar.

Some information and stories about Aleyamma's youngest son, C.M. Mathew, Vakil at Kattoorkara, Thiruvalla, who is my father, is narrated here.

C.M.Mathew D2418{g71}[505], Vakil, is the 8th and youngest child. He formed the sub-branch at Kattoorkara, Thiruvalla Puthen Veetil. He married C. G. Elizabeth (Kunjamma) and had 5 sons as listed below.

My father C.M.Mathew D2418{g71}[505] Vakil (CMM) resided on the Kattoorkara road in Thiruvalla. CMM D2418{g71}[505] practised as Vakil in the Munsiff's Court, Thiruvalla for over 50 years. He was the secretary for Niranom diocese and trustee for Paliakara church. In 1932, CMM, with cordial assistance from P.M. Mammen E12111{a60}[347] who published 'Mahilamony', the first Christian magazine for ladies in those days, originated the annual meetings of the Chalakuzhy family. C.M. Mathew was the first secretary of the Chalakuzhy Kudumbayogam in which post he continued for a long time.

CMM had 5 sons only. And, by the grace of God Almighty, three out of the five rose up to the position of Chief Engineers in their state government service. This is a very rare coincidence. Such a situation is not available in Kerala or India and may not be available anywhere in the whole world. We praise the Lord.

CMM passed away at the age of 84 on 25th March 1976 and was buried in the combined sepulcher of his wife in the Paliakara church, Thiruvalla in the North-South centre-line of and on the northern side of the Altar and 30 feet from the wall of the church. His wife C.G. Elizabeth (Kunjamma) Changaethara family, Pallickal, Kayamkulam, passed away on 2nd November 1975. 25th March is All Souls day and 2nd Nov is the Memorial Day of St.Gregorios, the Parumala Thirumeny. On those two days, Holy Qurbana is inevitably conducted in all Orthodox churches. We thank Almighty that we are blessed in that respect.

I remember an incident my father told me. Usually, Magistrates and Hon'ble Judges, (on concluding the work for the day, in the court), if they opt to have a walk back to reach home, they will be accompanied by a security personnel (or a peon) walking about 3 meters behind the officer till they reach the destination. There will be a security on duty in the home too. The District Magistrate, P. Tharian B.A., Pulimoottil, Thiruvalla, had married C.M. Achiamma D241(4){p71}[213], the (only) elder sister of C.M. Mathew, Vakil. They were all residing together in the same house 'Pulimoottil' at Ramanchira, in Thiruvalla, just adjacent to the Mission hospital situated beyond this house (in the direction from the town). C.M. Mathew had been practicing, by then, for a number of years in the Munsiff's court, Thiruvalla.

One evening, the two 'brothers-in-law' had a wrestling match in the house for fun. Nobody else was observing that. The security man on duty, 'suspecting that to be a real tough fight between the two' rushed into the room with the idea of pacifying them. The magistrate saw the security man getting inside, and he understood the problem. With a mischievous smile, he told the security man that there was nothing serious there, and that they were playing only, and so the security man may retreat to his position. He added also that it was just a test of physical strength between a Magistrate and a Vakil.

The Pulimoottil house of Tharian magistrate mentioned above was constructed under the personal and complete supervision of C.M. Mathew to the full and perfect satisfaction of all the three residents. CMM's elder sister Achiamma D241(4) passed away on 11 October 1971 at the age of 95 years.

C. Poullose, D2481{a33}[325] was deeply involved in church matters. Knowing that there could be rift in the church for ordaining priesthood to Manalil Achen prior to Chalakuzhy Achen, he walked out from the church meeting. After fighting a court case with priests of the Kodyattu family, Poullose won the case in favor of the Chalakuzhy Achen (Geevarghese Kathanar D2613, who served at Paliakara, Chalakuzhy and Vengal churches). In order to get the rights of the Chalakuzhy Achen, the church remained closed for approx.18 years. This was in addition to the burden of handling his family matters from a young age, including marriages of his sisters as his father had expired in his childhood.

Another story is about Mathew C. Abraham G2486131 who was not in good health. When he got a chance for free treatment in Australia, he was unable to obtain the visa required for the journey, from the offices in New Delhi. His father C.A. Mathew (Baby) F248613 happened to approach me when I was a Supdt. Engineer in the Chief Engineer's office in Trivandrum. P.C. Alexander I.A.S. who was then the Private Secretary to Indira Gandhi, the former Prime Minister of India, was contacted for the matter. He was kind enough to arrange for the visa to be issued to MCA within 4 days. On return after treatment, MCA managed to get a job and was working in good health for a number of years till 2007, when he ExD 12 Oct. 2007. Sunny (CJM, Ckzy Rd, Trivandrum) phoned me about it. His grand-father Avarachayan E24861, whenever we two had an occasion to meet each other, always opened any talk with me only after a reference to this visa incident where actually my involvement was quite accidental and my part was a very little only. But, achayan often said "Georgekutty, it was you who was instrumental in saving the life of my grandson".

Chalakuzhy PYNUMMOOTTIL

Branch - 3: Chalakuzhy PYNUMMOOTTIL, Information and Stories

Geevarghese A3{c40}[000] is the third of the four sons of Itty Mathen, the Founding father of the Chalakuzhy family at Thiruvalla. Geevarghese (GV) married (N/m) from Valia Pynummoottil family at Kavumbhagom, Thiruvalla, and he was adopted to that family. The name of that particular house, Valia Pynummoottil was then modified, and continues to be known thereafter as Chalakuzhy Pynummoottil house. GV attended to agricultural work. This 1st GV did not have any children.

So, Geevarghese, the eldest son of Mathai A2{b40}[426] of Branch-2, was offered on ADOPTION to Branch-3 of the Chalakuzhy family (Pynummoottil). Geevarghese B21{a42}[Adopt] is the 1st son of Mathai A2. Mathai is the 2nd son of Itty Mathen. After adoption, GIN of this Geevarghese B21{a42}[Adopt] is changed to B31{Adopt}[101].

Geevarghese B31{Adopt}[101], the 2nd GV, {the Adopted son}, became the heir of Branch 3. He had the same name Geevarghese as A3 (and hence, the adopted son is the 2nd person by name GV in Branch 3 Chalakuzhy Pynummoottil House). This adopted heir and successor Geevarghese B31 married (N/m) from Kinattukara house at Niranam. He had one son C311, who was the only child. Thus, B31 continued the lineage of Branch 3. His son, Geevarghese C311 is the 3rd GV in Chalakuzhy Pynummoottil (Branch 3).

Geevarghese C311{a10}[123], the 3rd GV, married (N/m) from Plaamootil Hse at Kozhencherry and had 3 children; one was a son (namely, Rev. Fr. Geevarghese D3112{a12}[213], Kathanar, the Pynummoottil Valiachan) and the other two were daughters. So, the three children of C311 have the GINs, D311(1){p12}[], D3112{a12}[213], D311(3){q12}[].

The only son of Geevarghese C311{a10}[123] was also Geevarghese D3112{a12}[213]. He was the 4th GV in Branch 3. He married Aleyamma, daughter of Kurian (writer) of Thiruvanchoor (Kottayam). Geevarghese D3112 accepted the noble vocation of priesthood and became Rev. Fr. Geevarghese Kathanar. He became the first priest in Chalakuzhy family. He was a Syriac scholar and a Malpan and later on, was well-known as Pynummoottil 'Valiachan'. He was called Valiachan because the second son of this Valiachan also became a priest. Pynummoottil Valiachan D3112 was Private Secretary to His Grace (Palakkunnath) Mathews Mar Athanasius.

Pynummoottil Valiachan was for a long time, the Vicar in Paliakara church, Thiruvalla. During this time the entire church was facing a serious situation. With the translation of the Bible into Malayalam language happening at this time, in 1837, Rev. Fr. Abraham Malpan formulated a new 'Thaksa' (i.e., a new ritual in Malayalam for conducting 'Holy Qurbana') aimed at Reformation. The 'Reformation activities' came to a climax in about 1888, even though the movement began earlier in 1837. In the meantime, in 1861, Rev. Fr. Iype Thoma Kathanar was ordained as a priest. He along with his father's younger brother, Rev. Fr. Geevarghese (Kovoor Valiachan), was also conducting holy sacraments in this same Paliakara church based on the above new 'Thaksa' in Malayalam. 'Reformation movement' was vehemently objected to by Pynummoottil Valiachan D3112 as well as Kodiattu Valiachan. Pynummoottil Valiachan D3112 filed a case in the court against Kovoor Valiachan and also Rev. Fr. Iype Thoma Kathanar (Kochachen) and obtained verdict against the latter two. Kovoor Valiachan and Rev. Fr. Iype Thoma Kathanar (Kochachen) then joined the group that subsequently became the Marthoma church.

The original church had over a thousand members. The ardent opposition raised by Pynummoottil Valiachan D3112 as well as Kodiattu Valiachan helped to retain all the

members (except 10 to 12) in the church and to continue in the Syrian faith (of the Suriani Sabha), which was followed till then, and also later on, by the church. In protest, members of a very few families, then under the leadership of the Kodiattu family, moved to the Kattappurathu church and the diocese there which was under the jurisdiction of His Holiness the Patriarch.

The 110th 'Maramon Convention' on 13th Feb. 2005 was inaugurated by HG. Mar Chrisostham Thirumeni, the present ValiaMetropolita in the Marthoma church. He is an uncle to my wife, Annie (the 2nd daughter of Retd. Magistrate K.O.Philip, Ashtamudy, Quilon).

Mathaikunju E31122{a21}[224], first son of Pynummoottil Valiachan D3112 married Aleyamma, sister of C.G.Varghese, B.A, L.T., of Chethikkattu house at Kavumbhagom. CGV was Headmaster in the M.G.M. high school at Thiruvalla. The couple Mathaikunju and Aleyamma had 2 sons and 2 daughters. They all lived in Maliekal house in the compound near the entrance to the Paliakara church. MK attended to agricultural work.

Pynummoottil Valiachan's 2nd son was Geevarghese, E31123{b21}[112] (and, hence he is the 5th GV). He too was a Syriac scholar and was famously known as "Pynummoottil Kochachen", or (Jr) Rev. Fr. Geevarghese Kathanar.

MK and the younger brother, (Pynummoottil Kochachen) i.e. (Jr) Rev. Fr. Geevarghese E31123{b21}[112], the 5th GV, have the same 5th generation rank as that of mine (i.e., the generation rank of the 'Five Brothers', namely CMM, GM, PM, TM and JM bearing GINs E2418(1 to 5) in Chalakuzhy 'Branch-2 Kizhakke-Veetil' . The father of the FIVE, (namely, C.M.Mathew, Vakil) was the youngest of the eight children of his parents. That is the reason for the significant age difference between Mathaikunju and the FIVE.

C.M.Thomas (Thomachen) F311221{a22}[246] and his younger brother Kuriachen F311222{b22}[134], sons of MK are of a subsequent (i.e. later) generation than that of the FIVE brothers CMM, GM, PM, TM and JM mentioned above. Still, we used to (and continued to) address them as Thoma'chayan' and Kuria'chayan' because they were older. This happened to be so because my father C.M. Mathew, Vakil (who convened the 1st Annual Family 'Get-together') was the youngest of all the seven sons and one daughter of his father. As a matter of fact, Thomachayan when he visited me once in my office years ago when I was working as an Executive Engineer in the Chief Engineer's office, he himself opened this topic and spoke to me about all this. Even though it was a fact known to me earlier from my father, we restrained ourselves from any open discussion with others about it, even with their own children namely Retd. Executive Engr. C.T. Philip (Achenkunju) G3112216{b24}[112] regarding our status in the higher generation.

Actually, same is the case with KochuMariamma F12111(1){p34}[336], the daughter of P.M. Mammen of Chalakuzy Pulimoottil branch-1 who, later on was popularly known as 'Mahilamony Mammachen' because of the magazine by name 'Mahilamony' which was owned and published by him.

Similarly, Omana F41163(1){p25}[] , daughter of C.P. Mathen of Branch-4 Padinjaare-Veetil may be cited as another example. Still, we addressed them as 'Kochammas', as we were rightfully instructed by our, very sensible and thoughtful, father because they are older to us.

Above mentioned C.M.Thomas (Thomachen) F311221{a22}[246] later on, bought a piece of land at East Muthoor and there, he constructed a house and moved with his family from Maliekal to that new residence. That is now inherited by the younger of the two sons of his, namely, C.T. Philip (Achenkunju) G3112216{b24}[112] who retired as an Executive

Engineer in Kerala P.W.D. The elder son C.T.Mathai G3112215{a24}[213] has settled down in Delhi.

C.M.Thomas was President of the Chalakuzhy Family 'Annual Get-Together' for a fairly long period. With due appreciation about the action of CMT, it is to be stated (for the information of the family members) that Thomachen instituted an endowment of a fixed deposit of Rs.20,000/- for the perpetual distribution of the interest derived from that fixed deposit for the benefit of any needy and deserving member in the family every year. That was a very good sum in those days, when this proffer was made by Thomachen. He has entrusted the officers who are responsible for convening the 'Annual Family Get-Together' with the operation and management of this endowment.

Other members in Branch-3 and their GINs are shown in the Branch-3 Tabulation below:

തലമുറ നമ്പർ (GIN) തീരുമാനിക്കുന്ന രീതി

(മലയാളം തർജ്ജമ)

GIN – GENERATION IDENTIFICATION NUMBER

ചാലക്കുഴി കുടുംബം വളരെയധികം വളരുകയും ലോകത്തിന്റെ നാനാഭാഗങ്ങളിലായി വ്യാപിക്കുകയും ചെയ്തു. ഈ കുടുംബത്തിലെ അംഗങ്ങൾ തമ്മിലുള്ള ബന്ധം ഭൂരിഭാഗം അംഗങ്ങൾക്കും അറിയില്ല. ആ ബന്ധങ്ങളെ കൂടുതൽ വ്യക്തമാക്കുന്നതിനു ഈ കുടുംബാംഗമായ **GEORGE MATHEW (E24182)** ഈ ഫാമിലി ട്രീ ഉണ്ടാക്കുവാൻ തീരുമാനിക്കുകയും ഓരോ വ്യക്തികൾക്കും ഒരു തലമുറ നമ്പർ (GIN) നൽകുന്ന രീതി വികസിപ്പിച്ചെടുക്കുകയും ചെയ്തു.

തിരുവല്ലയിലെ ചാലക്കുഴി കുടുംബത്തിന്റെ പിതാവായി കരുതപ്പെടുന്നത് **ITTY MATHEN** ആണ്. അദ്ദേഹത്തിന് നാല് മക്കളായിരുന്നു. അങ്ങനെ, ഇട്ടി മാത്തന്റെ ആദ്യത്തെ തലമുറ- യായി ഈ നാല് മക്കളിൽ നിന്നും ചാലക്കുഴി കുടുംബത്തിന്റെ നാല് ശാഖകൾ ഉടലെടുത്തു. അവ താഴെ പറയുന്നവയാണ്.

ശാഖ 1 : ചാലക്കുഴി പുളിമുട്ടിൽ

ശാഖ 2 : ചാലക്കുഴി കിഴക്കേവീട്ടിൽ

ശാഖ 3 : ചാലക്കുഴി പൈനുംമുട്ടിൽ

ശാഖ 4 : ചാലക്കുഴി പടിഞ്ഞാറേവീട്ടിൽ

ഓരോ തലമുറയെയും പ്രതിനിധാനം ചെയ്യുന്നത് ഇംഗ്ലീഷ് അക്ഷരമാലയിലെ A, B, C, D, E, F. തുടങ്ങിയവയാണ്. ആയതിനാൽ ആദ്യത്തെ തലമുറയ്ക്ക് 'A' എന്ന അക്ഷരം അവരുടെ GIN- ൽ കാണിച്ചിരിക്കുന്നു. 'B' രണ്ടാമത്തെ തലമുറ, 'C' മൂന്നാമത്തെ തലമുറ എന്നിങ്ങനെ. ആദ്യത്തെ അക്ഷരത്തിനു ശേഷം വരുന്ന നമ്പർ ശാഖയുടെ നമ്പർ കാണിക്കുന്നു. അതായത്, A1 സൂചിപ്പിക്കുന്നത് ഇട്ടി മാത്തന്റെ മൂത്ത പുത്രന്റെ ശാഖ, A2 കാണിക്കുന്നത് രണ്ടാമത്തെ പുത്രന്റെ ശാഖ എന്നിങ്ങനെ ആണ്.

അതുപോലെ B എന്ന അക്ഷരം രണ്ടാമത്തെ തലമുറയെ സൂചിപ്പിക്കുന്നു.

ഉദാഹരണം; B1 സൂചിപ്പിക്കുന്നത് രണ്ടാമത്തെ തലമുറയിലെ ഒന്നാമത്തെ ശാഖയിലെ അംഗത്തെയും B2 സൂചിപ്പിക്കുന്നത് രണ്ടാമത്തെ തലമുറയിലെ രണ്ടാമത്തെ ശാഖയിലെ അംഗത്തെയും ആണ്.

രണ്ടാമത്തെ തലമുറ 'B' ഓരോ ശാഖയിലും B1 - (ഒന്നാം ശാഖ), B2 - (രണ്ടാം ശാഖ), B3 - (മൂന്നാം ശാഖ), B4 - (നാലാം ശാഖ) എന്ന ക്രമത്തിൽ തുടങ്ങുന്നു.

അതുപോലെ 3 - ആം തലമുറയെ കാണിക്കുന്നത് C എന്ന അക്ഷരമാണ്.

മുകളിൽ പറഞ്ഞപോലെ 3 - ആം തലമുറ 'C' - യിലെ ഓരോ ശാഖയും C1 - (ഒന്നാം ശാഖ), C2 - (രണ്ടാം ശാഖ), C3 - (മൂന്നാം ശാഖ) എന്ന ക്രമത്തിൽ തുടങ്ങുന്നു.

തലമുറ മാറുന്ന മുറയ്ക്ക് ആദ്യത്തെ അക്ഷരവും മാറുന്നു. അതായത് A → B , B → C, C → D etc .

ജനന ക്രമം കാണിക്കുന്നത് 1 ,2 ,3 തുടങ്ങിയ നമ്പറുകൾ അതാത് ആളിന്റെ പിതാവിന്റെ GIN നോട് ചേർത്ത് എഴുതിയാണ്.

ഉദാഹരണം; A1 ന്റെ ആദ്യത്തെ പുത്രനെ സൂചിപ്പിക്കുന്നത് B11 എന്നാണ്. (അതായത് രണ്ടാം തലമുറയിലെ ആദ്യത്തെ പുത്രൻ 'A' മാറി 'B' ആയി)

A1 ന്റെ രണ്ടാമത്തെ പുത്രനെ സൂചിപ്പിക്കുന്നത് B12 എന്നാണ്.

A1 ന്റെ മൂന്നാമത്തെ പുത്രനെ സൂചിപ്പിക്കുന്നത് B13 എന്നുമാണ്

GIN B12 എന്നതിലെ '2' സൂചിപ്പിക്കുന്നത് ഒന്നാം ശാഖയുടെ 'A' തലമുറയിലെ രണ്ടാമത്തെ ആണ്ണട്ടിയെയാണ്.

GIN C231 എന്നതിലെ '1' സൂചിപ്പിക്കുന്നത് 2 - ആം ശാഖയിലെ B23 ടെ ആദ്യത്തെ ആൺ കുട്ടി

GIN C23(4) - ലെ '(4)' സൂചിപ്പിക്കുന്നത് രണ്ടാം ശാഖയിലെ B23 - യുടെ നാലാമത്തെ സന്തതി- സ്ത്രീ.

കുടുംബത്തിലെ പെണ്മക്കൾ (സ്ത്രീകൾ) വിവാഹശേഷം ഭർത്താവിന്റെ കുടുംബത്തിലേക്ക് മാറുന്നതിനാൽ, സ്ത്രീകളുടെ മക്കൾക്കു വരെ മാത്രമേ ചാലക്കുഴി കുടുംബത്തിൽ GIN നൽകിയിട്ടുള്ളൂ. സ്ത്രീകളെ സൂചിപ്പിക്കുന്നതിനായി GIN - ലെ അവസാന അക്കത്തിന് സാദാ () ബ്രാക്കറ്റ് ഉപയോഗിക്കുന്നു.

GIN D3112 - ലെ '2' സൂചിപ്പിക്കുന്നത്, മൂന്നാം ശാഖയിലെ C311 - ന്റെ രണ്ടാം സന്തതിയെ (പുരുഷൻ) ആണ്.

GIN D311(3) ലെ '(3)' സൂചിപ്പിക്കുന്നത് മൂന്നാം ശാഖയിലെ C311 ന്റെ മൂന്നാമത്തെ സന്തതി (സ്ത്രീ).

GIN E24182 - ലെ '2' സൂചിപ്പിക്കുന്നത് രണ്ടാം ശാഖയിലെ D2418 ന്റെ രണ്ടാമത്തെ പുത്രൻ.

GIN എങ്ങനെ നൽകി എന്നതിന്റെ വിശദീകരണം .

ഉദാഹരണത്തിന് എടുത്തിരിക്കുന്നത് ഇട്ടി മാത്തന്റെ രണ്ടാമത്തെ സന്തതിയുടെ പരമ്പര:-

കുറിപ്പ്: നാല് ട്രേസുകളിലൂടെ നോക്കുമ്പോൾ 'E' എന്ന അക്ഷരത്തിൽ തുടങ്ങുന്ന അഞ്ചാം തലമുറയുടെ GIN - ലെ അവസാനത്തെ രണ്ടു അക്കങ്ങൾ ബോൾഡ് ആയി കാണിച്ചിരിക്കുന്നു.

ഉദാഹരണത്തിന്, ജോർജ്ജ് മാത്യു - ന്റെ GIN ആയ E24182 ലെ '2' എന്ന അക്കം സൂചിപ്പിക്കുന്നത് അദ്ദേഹം D2418 - ന്റെ രണ്ടാമത്തെ പുത്രനാണെന്നും D2418 ലെ '8' എന്ന അക്കം സൂചിപ്പിക്കുന്നത് ജോർജ്ജ് മാത്യുന്റെ പിതാവ് (സി.എം. മാത്യു) C241 ന്റെ എട്ടാമത്തെ പുത്രനാണെന്നുംമാണ്. അതുപോലെ, C241 ലെ '1' എന്ന അക്കം സൂചിപ്പിക്കുന്നത്, B24 ന്റെ ആദ്യത്തെ പുത്രനാണെന്നുമാണ്. അതുപോലെ തന്നെ, B24 ലെ '4' എന്ന അക്കം സൂചിപ്പിക്കുന്നത് A2 (രണ്ടാം ശാഖയുടെ) നാലാമത്തെ പുത്രനാണെന്നുമാണ്.

GIN -നു ശേഷം വരുന്ന ഇരട്ട ബ്രാക്കറ്റ് '{ }' സൂചിപ്പിക്കുന്നത്, ആ വ്യക്തിക്ക് എത്ര സഹോദരീ സഹോദരന്മാർ ഉണ്ടെന്നാണ്. ഈ ഇരട്ട ബ്രാക്കറ്റുകളിലെ {-50} നമ്പറുകളിൽ '-' എന്ന ചിഹ്നത്തിന് ശേഷം വരുന്ന നമ്പർ (ഉദാ : ('5'), ആ കുടുംബത്തിലെ ആൺകുട്ടികളുടെ എണ്ണത്തെയും അതിനുശേഷമുള്ള '0' എന്ന അക്കം ആ കുടുംബത്തിലെ പെൺകുട്ടികളുടെ എണ്ണത്തെയും സൂചിപ്പിക്കുന്നു. ഈ അക്കങ്ങൾ {-50} ആ കുടുംബത്തിലെ എല്ലാ 5 അംഗങ്ങൾക്കും ഒന്നുതന്നെയാണ്. എന്നാൽ '-' ആ കുടുംബത്തിലെ അംഗങ്ങളുടെ ജനന- ക്രമമനുസരിച്ച മാറ്റം.

കുടുംബത്തിലെ ആൺ മക്കളുടെ ജനനക്രമം കാണിക്കുന്നതിനായി 'a', 'b', 'c' തുടങ്ങിയ അക്ഷരങ്ങൾ '-' ഇതിന്റെ സ്ഥാനത്തു എഴുതിയിരിക്കുന്നു. അതുപോലെ പെണ്മക്കളുടെ ജനനക്രമം കാണിക്കുന്നതിനായി 'p', 'q', 'r' എന്ന അക്ഷരങ്ങൾ '-'

ഇതിന്റെ സ്ഥാനത്തു എഴുതിയിരിക്കുന്നു. അതായതു ഏതെങ്കിലും GIN - ൽ 'a' സൂചിപ്പിക്കുന്നത് ഏറ്റവും മുത്ത പുത്രനെയും 'b' രണ്ടാമത്തെ പുത്രനെയും 'c' മൂന്നാമത്തെ പുത്രനെയും 'p' ഏറ്റവും മുത്ത പുത്രിയെയും 'q' രണ്ടാമത്തെ പുത്രിയെയും 'r' മൂന്നാമത്തെ പുത്രിയെയും സൂചിപ്പിക്കുകയാണെന്നും മനസിലാക്കാം. ഇത്തരം കോഡിങ്ങിൽ 'i' ഉം 'o' ഉം മനുപുർവ്വം ഒഴിവാക്കിയിരിക്കുന്നു.

ഉദാഹരണം നോക്കാം: {b32} സൂചിപ്പിക്കുന്നത് ഒരു വ്യക്തിയുടെ സഹോദരങ്ങളുടെ എണ്ണമാണ്. ഇവിടെ 'b' സൂചിപ്പിക്കുന്നത് ഈ വ്യക്തി അവരുടെ കുടുംബത്തിലെ പുത്രി പുത്രന്മാരിൽ രണ്ടാമത്തെ മകനാണെന്നും '2' സൂചിപ്പിക്കുന്നത് ആ കുടുംബത്തിൽ രണ്ടു പെൺകുട്ടികൾ ഉണ്ടെന്നുമാണ്.

GIN - ലെ ഇരട്ട ബ്രാക്കറ്റിനുശേഷം വരുന്ന ചതുര ബ്രാക്കറ്റ് [] സൂചിപ്പിക്കുന്നത് ആ അംഗത്തിന്റെ സന്തതികളെയാണ്, അതാണ് അടുത്ത തലമുറ. അത് 's d t' ഫോർമാറ്റിൽ ആണ് കാണിച്ചിട്ടുള്ളത്, ഇതിൽ 's' ആൺകുട്ടികളെയും 'd' പെൺകുട്ടികളെയും 't' മൊത്തം മക്കളുടെ എണ്ണയെയും കാണിക്കുന്നു. ഉദാഹരണത്തിന് [314] സൂചിപ്പിക്കുന്നത് അവിടെ 3 പുത്രന്മാരും 1 പുത്രിയും എല്ലാം കൂടി 4 മക്കൾ ഉണ്ടെന്നുമാണ്.

ഒരു GIN - ലെ എല്ലാ അക്കങ്ങളും വെച്ചേറെ വായിക്കണം, അല്ലാതെ രണ്ടക്ക / മൂന്നക്ക സംഖ്യയായല്ല വായിക്കേണ്ടത്. ഉദാ : { b32 } വായിക്കേണ്ടത് { ബി മൂന്നു രണ്ടു } എന്നാണ്. അല്ലാതെ { ബി മുപ്പത്തിരണ്ട് } എന്നല്ല. അതേപോലെ { c40 } വായിക്കുന്നത് { സി നാല് പൂജ്യം } എന്നാണ്. അതുപോലെ [314] നെ [മൂന്ന് ഒന്ന് നാല് } എന്നാണ്, അല്ലാതെ മൂന്നുറ്റിപതിനാല് എന്നല്ല.

മറ്റൊരു ഉദാഹരണം നോക്കാം : മൂന്നാം ശാഖയിലെ ഗീവർനീസിന് - GIN c311 {a10 } [123] - മക്കളായി ഒരാണും രണ്ടു പെണ്ണും - [123] എന്നാണ്. പെണ്മക്കളുടെ ജനനക്രമം ഒന്നാമത്തേതും മൂന്നാമത്തേതും. അതുകൊണ്ടു പെൺമക്കൾക്ക് നൽകുന്ന GIN - D311(1) & D311(3) ആയിരിക്കും. പെണ്മക്കൾ എന്ന് സൂചിപ്പിക്കുവാൻ സാദാ ബ്രാക്കറ്റ് () ഉപയോഗിക്കുന്നു. D311(3) {q12} [] എന്നതിൽ 'q' സൂചിപ്പിക്കുന്നത് ആ വ്യക്തി പെൺ മക്കളിൽ രണ്ടാമത്തേതാണ് എന്നാണ്. അതുകൂടാതെ സ്കപയർ ബ്രാക്കറ്റിനുള്ളിൽ നമ്പർ കാണിക്കാത്തത് ആ മക്കളുടെ മക്കളുടെ വിവരം അറിവില്ലാത്തതുകൊണ്ടാണ്.

ഏതെങ്കിലും വ്യക്തിക്ക് മൊത്തം സഹോദരങ്ങൾ / മക്കൾ ഒൻപതിൽ കൂടുതൽ ആണെങ്കിൽ രണ്ടക്ക നമ്പറിന് (10, 11, 12 തുടങ്ങിയവ) പകരം അക്കത്തിനു മുൻപായി അപ്പോസ്ട്രോഫി ചിഹ്നം (') ഉപയോഗിക്കുന്നു. അതായതു ഒമ്പതു കഴിഞ്ഞാൽ 10, 11, 12 -ഇന് പകരം '0','1','2 എന്ന മുറയ്ക്ക് എഴുതുന്നു.

ഉദാഹരണത്തിന് സി. മാത്തൻ എന്ന വ്യക്തിയുടെ GIN:D2483 {b33} [4'0'4] ആണ്. പൂജ്യത്തിനു മുന്നിലുള്ള അപ്പോസ്ട്രോഫി സൂചിപ്പിക്കുന്നത് ആ വ്യക്തിക്ക് 4 ആൺ മക്കളും 10 പെൺ മക്കളും കൂടി മൊത്തം 14 മക്കളുണ്ടെന്നാണ്. ഇവരിൽ ഒരു പുത്രനായ C.M. MATHEN - ന്റെ GIN: E2483'1{c4'0}[145] ആണ്. അതായതു C.M. MATHEN, D2483 യുടെ മക്കളിലെ 11 - ആമത്തെ സന്തതി എന്നാണ്. {C4'0} ലെ 'C' യുടെ അർത്ഥം 4 ആൺ മക്കളിലെ 3 - ആമത്തെ മകനും, പൂജ്യത്തിനു മുൻപിലെ അപ്പോസ്ട്രോഫി പത്തു സഹോദരിമാർ എന്നുമാണ്.

ഈ ബുക്കിൽ ഉണ്ടാക്കിയിരിക്കുന്ന GIN കോഡിങ്ങ് വഴി ഓരോ വ്യക്തികളുടെയും മുൻ തലമുറയിലെ അംഗങ്ങളെ (രക്ഷിതാക്കൾ, മുത്തശ്ശന്മാർ, സന്തതികൾ,

സഹോദരങ്ങൾ, ബന്ധുക്കൾ എല്ലാവരെയും വളരെ കൃത്യമായി കണ്ടുപിടിക്കാൻ സാധിക്കും. അതിനായി ഓരോ GIN കോഡിന്റെയും വലതു നിന്ന് ഇടത്തേക്ക് നമ്പറുകൾ ട്രാക്ക് ചെയ്യാൽ മതി. കൂടാതെ അവരുടെ ശാഖാനോക്കിയാൽ അതെ തലമുറയിലെ എല്ലാ അംഗങ്ങൾക്കും GIN - ന്റെ തുടക്കത്തിൽ അതെ അക്ഷരമാലയിൽ തുടങ്ങുന്നതു കാണാം. GIN അടുത്ത തലമുറയിലേക്കു മാറുന്നതിനനുസരിച്ചു GIN ന്റെ ആദ്യ അക്ഷരമാല മാറുന്നു. ഉദാഹരണ- ത്തിന് അഞ്ചാം തലമുറയിലെ 'E' ആറാമത്തെ തലമുറയായി മാറുമ്പോൾ 'F' ആയി മാറുന്നു. GIN ന്റെ അക്ഷരമാലയും സംഖ്യകളുടെ തലമുറയ്ക്ക് അനുയോജ്യമാണ്. അതായതു 'E' തലമുറയിൽ അതിന്റെ GIN - ൽ 5 അക്കങ്ങൾ ഉള്ളപ്പോൾ 'F' തലമുറയ്ക്ക് GIN - ൽ 6 അക്കങ്ങൾ ഉണ്ട്.

ഓരോ ശാഖയിലും വിവിധ തലമുറകളിൽ നിന്ന് അംഗങ്ങൾക്കുള്ള GIN നൽകുന്നതിനുള്ള കൂടുതൽ ഉദാഹരണങ്ങൾ താഴെ കൊടുത്തിരിക്കുന്നു.

ഇൻഡക്സ് സംബന്ധിച്ച്

ഈ പുസ്തകത്തിന്റെ തുടക്കത്തിൽ ഒരു പൊതു സൂചിക (Index) ഉൾപ്പെടുത്തിയിട്ടുണ്ട്. ഈ സൂചികയിൽ ചാലക്കുഴി കുടുംബത്തിലെ നാല് ശാഖകളിലെയും അംഗങ്ങളെ അക്ഷര-മാലാക്രമത്തിൽ ഉൾപ്പെടുത്തിയിരിക്കുന്നു. ഓരോരുത്തരുടെയും GIN - ഉം വ്യക്തി വിവര-ങ്ങളും ബന്ധപ്പെട്ട പേജുകളിൽ കണ്ടെത്താം.

ഒരേ പേരിൽ ഉള്ള നിരവധി അംഗങ്ങളുണ്ടാകും. എന്നാൽ അവർക്ക് ഓരോരുത്തർക്കും വ്യത്യസ്തമായ GIN ഉണ്ടാകും. അവരുടെ GIN പല തലമുറകളിലേക്ക് അടയാളപ്പെടുത്തിയ പ്രത്യേക നിരകളിൽ ചേർത്തിരിക്കുന്നു. ഒരു കുടുംബാംഗത്തിന്റെ ശാഖയുടെയോ അടുത്ത ബന്ധുക്കളുടെയോ GIN വിവരങ്ങൾ അറിയപ്പെടുന്ന പക്ഷം ആ വ്യക്തിയുടെ GIN ഇൻഡക്സിൽ തിരയുന്നതിനു ഇത് സഹായിക്കും

ഇൻഡക്സിന് ശേഷം ഓരോ ശാഖയുടെ വിശദാംശങ്ങൾ ടാബുലേഷൻ ആയി കൊടുത്തിരിക്കുന്നു. അതിന്റെ വിശദാംശങ്ങൾ ഇനി പറയുന്നു.

ടാബുലേഷനെ പറ്റിയുള്ള വിശദാംശങ്ങൾ

തിരുവല്ലയിലെ ചാലക്കുഴിയുടെ കുടുംബത്തിന്റെ സ്ഥാപക പിതാവ് ഇട്ടി മാത്തൻ ആണ്. കുടുംബത്തിന്റെ വംശാവലി ആരംഭിക്കുന്നത് കേരളത്തിലെ കുറവിലങ്ങാട് കാളി കാവിന് സമീപമുള്ള സ്ഥലത്താണ്.

ചങ്ങനാശ്ശേരിയിൽ നിന്നും കുടിയേറിയ കുടുംബം, തിരുവല്ലയിലെ മുത്തൂരിനടുത്തുള്ള കാവുണ്ടാഗത്തേക്കു താമസം മാറി. ഇട്ടി മാത്തൻ തറവാടായ കിഴക്കേ-വീട്ടിൽ (ഈസ്റ്റ് ഹൗസ്) കാവുണ്ടാഗത്തു സ്ഥാപിച്ചു. ചാലക്കുഴി കുടുംബത്തെക്കുറിച്ചുള്ള 'പൊതുചരിത്രം' എന്ന വിഭാഗത്തിൽ കൂടുതൽ വിവരങ്ങൾ നൽകിയിട്ടുണ്ട്. ഇട്ടി മാത്തൻ എ.ഡി 1800 ൽ ഇഹലോകവാസം വെടിഞ്ഞു എന്നു വിശ്വസിക്കപ്പെടുന്നു.

ഇട്ടി മാത്തന് 4 ആൺമക്കളായിരുന്നു. അവരുടെ വംശാവലിയാണ് ചാലക്കുഴി കുടുംബത്തിന്റെ നാല് ശാഖകളായത്.

കുടുംബത്തിന്റെ സ്ഥാപക പിതാവ്: ഇട്ടി മാത്തൻ

ശാഖ 1	ചാലക്കുഴി പുളിമുട്ടിൽ
ശാഖ 2	ചാലക്കുഴി കിഴക്കേവീട്ടിൽ (East House)
ശാഖ 3	ചാലക്കുഴി പൈനുംമുട്ടിൽ
ശാഖ 4	ചാലക്കുഴി പടിഞ്ഞാറേവീട്ടിൽ (West House)

ഈ പുസ്തകത്തിന്റെ നാല് ശാഖകളുടെ അംഗങ്ങളെയാണ് നാല് പ്രത്യേക സമാഹരണത്തിൽ (ടാബുലേഷൻ) ഉൾപ്പെടുത്തിയിരിക്കുന്നത്. ഓരോ സമാഹരണത്തിലും മൂന്ന് നിരകളുണ്ട്. ആദ്യ നിരയിൽ വ്യക്തിയുടെ പേര് ലിസ്റ്റുചെയ്യുന്നു. രണ്ടാമത്തെ നിര വ്യക്തിയുടെ GIN നൽകുന്നു. മൂന്നാമത്തെ നിരയിൽ ഈ വ്യക്തിയെക്കുറിച്ചും അവരുടെ കുടുംബത്തെക്കുറിച്ചും ചില വ്യക്തിഗത വിവരങ്ങൾ കൊടുത്തിരിക്കുന്നു.

ചിലപ്പോൾ ഒരു വ്യക്തി മറ്റേതെങ്കിലും പേരിലാണ് കൂടുതൽ അറിയപ്പെടുന്നത്. ഈ പേര് (O/n) – (Other Name) ഔദ്യോഗിക നാമത്തിനു തൊട്ടു ശേഷമുള്ള അടുത്ത വരിയിൽ കൊടുത്തിരിക്കുന്നു.

ഒരു അംഗത്തിന്റെ എല്ലാ മക്കളും ഉൾപ്പെടുന്ന പിൻഗാമികളെ ആ അംഗത്തിന്റെ ചുവടെ തന്നെ ചേർത്തിരിക്കുന്നു. ഇതിനു ശേഷം മാത്രമേ ആ അംഗത്തിന്റെ സഹോദരി സഹോദരങ്ങളെ ലിസ്റ്റിൽ പെടുത്തുന്നുള്ളൂ. ഈ മാതൃക എല്ലാ ശാഖകളിലും പിന്തുടരുന്നു. ഈ വിധത്തിലുള്ള സമാഹരണത്തിലൂടെ ഒരു വ്യക്തിയുടെ മുൻഗാമികളെയും പിൻഗാമികളെയും കൃത്യമായി കണ്ടുപിടിക്കാൻ കഴിയും.

We, Ashok, Mohan, Jayan and Anuja, thank our father, George Mathew, for making this book possible. It is our hope that this book will provide a greater appreciation of our family history and strengthen our connections to each other.

Chief Engineer (PWD)

This book on the Chalakuphy Family Tree is published, as written by the author George Mathew, over many years.

The main objective of the author was to establish the relationship between members in this family. George Mathew also developed a Generation Identification Number (GIN) system to identify each member of the family.

This book will help the family members to know their roots and each other and also bring them closer as envisaged by the author.
